This qualification reflects the role of personnel working on farms, stations and related rural businesses involved in administering and managing those businesses.

Industry expects individuals with this qualification to take personal responsibility and exercise autonomy in undertaking complex work. They must analyse information and exercise judgement to complete a range of advanced skilled activities.

This qualification is suitable for an Australian Apprenticeship. Completion of this qualification does not mean you will get a job in Australia. In fact BCH is not permitted to offer any guaranteed employment outcome.

Possible job titles relevant to this qualification include:

- Farm manager/administrator
- Production unit manager/administrator
- Station/property manager/Agribusiness manager/administrator

No occupational licensing, legislative or certification requirements apply to this qualification at the time of publication.

### Entry Requirements

All students must have successfully completed Year 12 or equivalent qualification / certificate and received/gained at least a 55% pass mark in the English Subject / or be able to demonstrate English language proficiency at the time of enrolment. A student can demonstrate English language proficiency by taking IELTS exam (minimum score 5.5) or by demonstrating the reading and writing skills to the Brisbane College of Horticulture.

In addition to the above, applicants are strongly recommended to complete the Certificate III in Horticulture or Business or hold equivalent industry experience before undertaking this course.

### Our credentials.

The Brisbane College of Horticulture was first registered as a training provider in November 2009 (Registration number 32032) (CRICOS Reg'n 03226B) offering courses in Horticulture (which it continues to do).

The RTO's registration details are

National registration <http://training.gov.au/Organisation/Details/32032>

CRICOS registration: <http://cricos.education.gov.au/Institution/InstitutionDetails.aspx?ProviderID=3226>

The College's mission is to provide the finest educational opportunity through a commitment to students' success. To achieve this, class sizes are kept relatively small. This permits more active engagement between trainer, student and colleagues.

This is supported by the quality of the training resources and the experience of the trainers which serves to motivate students and fosters a personal approach to studying. The learning facilities are of the highest standard in presentation creating a friendly and relaxed learning environment.

We want you to be well informed about choosing your training provider and recommend you refer to our policies via our web site and to the fact Sheet [Choosing a training or education provider](#) published by the Australian Skills Quality Authority (ASQA).

### Program Duration

The course will be delivered over 12 consecutive months. It will comprise a minimum of 15 hours a week (3 days) of face to face delivery and a maximum of 5 hours a week for distance study for 44 weeks. There will be 2-week break every 10 weeks. You can expect to take 18 months to 2 years to complete this course.

Candidates are encouraged to seek employment where they can practice their skills as a large portion of the course is contextualised for production nurseries before undertaking assessments. BCH will assist candidates by providing recommended structured learning activities in association with work place supervisors, exposing you to the skills you need as you progress through your course.

It is a condition of your study visa that you attend at least 80% of the classes provided for you during the course of your training. You will be provided a schedule at the time of inquiry and again on enrolment

Your total commitment is approximately 1340 hours comprising: -
