

AHC51422

Diploma of Agribusiness Management

Description

This qualification reflects the role of those working in decision-making and supervisory roles on farms, stations and related rural businesses.

Industry expects individuals with this qualification to take personal responsibility and exercise autonomy in undertaking complex work. They must analyse information and exercise judgement to complete a range of advanced skilled activities

Possible job titles relevant to this qualification include:

- Farm manager/administrator
- Production unit manager/administrator
- Station/property manager/Agribusiness manager/administrator

No occupational licensing, legislative or certification requirements apply to this qualification at the time of publication.

Entry Requirements

All students must have successfully completed Year 12 or equivalent qualification / certificate and received/gained at least a 55% pass mark in the English Subject / or be able to demonstrate English language proficiency at the time of enrolment. A student can demonstrate English language proficiency by taking IELTS exam (minimum score 6.0) or by demonstrating the reading and writing skills to the Brisbane College of Horticulture.

In addition to the above, applicants are strongly recommended to complete the Certificate III in Horticulture or Business or hold equivalent industry experience before undertaking this course.

Program Duration

This course will run for 52 weeks comprising 20 hours per week of study time. There will be periodic term breaks in the academic year.

The home distance study component of the course will never exceed 25% of a unit or course. Students are expected to make use of this time to further their education. The College will be available should you wish to utilise the premises for the distance study. All learners receive a set of manuals that form part of the program. If you have any concerns about the methods of study please speak to the College prior to enrolment.

Admission Method

Direct Enrolment – Provided you meet the entry requirements you can enrol at the college head office.

Requirements for Qualification

To successfully complete the course, students must undertake all units, sit and be deemed competent in all assessment tasks.

Students are required to actively participate in all learning activities during the course.

Method of Study

The majority of lessons are conducted in the classroom / nursery environment. The College may be available should you wish to utilise the premises outside normal study hours for additional study time.

All learners receive a set of Manuals that form part of the program.

If you have any concerns about the methods of study, please speak to the college prior to enrolment.
